## SECTION 3. DEFAULT

The license granted by Renschler is only to Licensee and shall not be copied, assigned, sold, sublicensed or transferred by Licensee in any way whatsoever, without Renschler's prior written consent. Licensee's use of the Guidelines is strictly limited to the parameters established herein. Any use of the Guidelines by Licensee beyond the Project specified herein is a breach of this Agreement and a violation of U.S. copyright law. In the event Licensee fails to timely pay Renschler's invoice for the license granted herein, Renschler will contact Licensee's client to notify them of this Agreement and that use of the Guidelines is a violation of the U.S. copyright law and that Renschler may proceed with legal action against such end client of Licensee as deemed appropriate by Renschler. In the event Licensee permits the use or utilizes the Guidelines or any portion of the Guidelines in any way that is beyond the scope of this Agreement without first obtaining another license from Renschler for that specific project or use, Renschler shall be entitled to obtain an injunction by a court of competent jurisdiction restraining and enjoining Licensee and end client from any further violation of this Agreement, such

injunctive remedy to be in addition to any other rights or remedy which Renschler has at law or equity.

### **SECTION 3. TERM**

3.1. Term of License. The License granted in this Agreement will commence on the date of this Agreement and will continue so long as the Guidelines is entitled to copyright protection under the laws of any country.

### **SECTION 5. INDEMNIFICATION**

Licensee agrees to indemnify and hold harmless Renschler, its officers, directors, employees, contractors, agents, successors and assigns against all claims (including, without limitation, claims by third parties), liability, damages (including punitive damages), judgments, settlements, costs and expenses, including attorneys fees and expenses, arising out of or related to Licensee's breach of any terms, conditions, or restrictions of this Agreement; Licensee's use or modification of any of the Guidelines; and any act or failure to act by Licensee or any of Licensee's employees, contractors, employers, agents, clients, principals or others.
